

# Prince William Garage Door

9049 Liberia Ave  
Manassas, VA 20110  
703-366-3164

## Door Size:

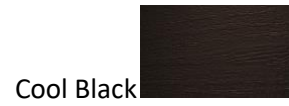

8X7      8X8      9X7      9X8      16X7      16X8      Custom: \_\_\_\_\_

---

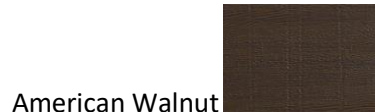

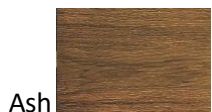

## Door Color: (Standard)

## (Premium Colors):

## (Wood Grain Colors):

## Door Build:

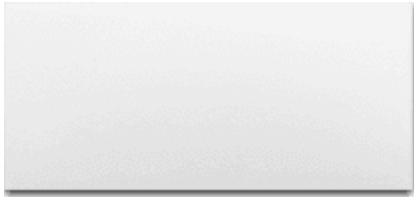

**Uninsulated** – Just the steel outer shell no insulation  
(Could be dented by kicking with your foot)

**Insulated with Styrafoam and A vinyl backing** – The steel outer shell with a layer of styrafoam inside with a vinyl covering on the back  
(Could be dented by hitting it with a basketball)

**Insulated with Polyurethane And a steel backing** – The steel outer shell with a sprayed in polyurethane insulation and a steel covering on the back  
(Would practically take a car running into to damage)
